

TENSE

Chorus

Past and present and future tense,
Yesterday, today, tomorrow makes sense!

I rapped, I rap, I will rap...
Simple tense is simply that!

The main function of a verb is to indicate when...
The action happens, that's how get tense!
I will say a word and then the tense:
You shout the answer so it makes sense!

Bridge

Okay, are you guys ready?
Yeah!
Let's do this! 3...2...1...go!

Verse

Dance in the past tense is...
3...2...1... danced!
Shake in the past tense is...
3...2...1... shook!
Jumped is the past tense, what is the present?
3...2...1... jump!
Jump! Jump! And one more time...everybody jump!
Wiggle in the future tense is...
3...2...1... will wiggle!
Hop in the future tense is...
3...2...1... will hop!
Waved is the past tense, what is the present?
3...2...1... wave!
Wave! Wave! And one more time...everybody wave!

Chorus

(Repeat chorus to finish)

*Change last line to 'You knew the answers and now it makes sense!'
