

HYPHEN

Pre Chorus

HYPHEN

Hyphen!

HYPHEN

Hyphen!

Chorus

Yo, HYPHEN to the N,
This is my song about a hyphen!
Use it join two words or more...
To make compound adjectives you can explore!

Verse

Good-looking, World-famous,
State-of-the-art, one-of-a-kind!
Record-breaking, fast-moving,
First-class, more-qualified!
Link them to a noun because they describe...
Adding detail to what you write.
There's another function at the end of the line:
If your word is not finished,
Then a hyphen's in line!

Brand-new, strong-willed,
Well-dressed, well-behaved,
Bright-eyed, well-known,
Highly-respected, handmade!
